SCHOOL NEWS

HOMEROOM PARENTS

The PTO Board would like to thank everyone who volunteered to be a homeroom parent. This program is able to continue because of the many people who offer to help. Unfortunately, there can only be two per room. All homeroom parents have been picked on a random basis, taking last year's list into consideration. Therefore, if you were a homeroom parent last year for that child, we did not include your name in the random drawing unless you were the only one who volunteered for that class. If your name was not chosen, please try again next year. Everyone should be contacted soon by their child's homeroom parent asking for your help with various activities and parties.
